A big thank you to the timekeepers, marshals and helpers, who made the Rhyl CC 37 Mile Hilly a success.

Note – The timekeeper reported that a few riders were not obeying the part of regulation 16 that applies in open events –

“... must not compete in clothing of a trade team that is/has been registered with the UCI unless he is a member of that team...”

This rule does not apply to club events, and many new riders initially ride club events using the current popular trade team clothing.

Can you please remind any new riders in your club that they cannot use trade team clothing in **open events**.

A complete list of the competition regulation can be found at
